## INTERNATIONAL TRADE COMMISSION

### Investigation No. 337-TA-971

#### Certain Air Mattress Systems, Components Thereof, and Methods of Using the Same

#### Notice of Request for Statements on the Public Interest

**AGENCY:** U.S. International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the presiding administrative law judge (“ALJ”) has issued a recommended determination on remedy and bonding in the above-captioned investigation. The Commission is soliciting submissions from the public on any public interest issues raised by the recommended relief. The ALJ recommended that a limited exclusion order issue against certain air mattress systems, components thereof, and methods of using the same, imported by respondents Sizewise Rentals LLC of Kansas City, Missouri; American National Manufacturing Inc. of Corona, California; and Dires LLC and Dires LLC d/b/a Personal Comfort Beds of Orlando, Florida (collectively, “Respondents”). The ALJ did not recommend that cease and desist orders issue as to the respondents found to infringe by the Commission. The ALJ found that Respondents did not show that the remedial orders to be issued by the Commission would have an adverse effect on public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive products in the United States, or United States consumers. Parties are to file public interest submissions pursuant to 19 CFR 210.50(a)(4).

**SUPPLEMENTARY INFORMATION:** Section 337 of the Tariff Act of 1930 provides that if the Commission finds a violation it shall exclude the articles concerned from the United States: unless, after considering the effect of such exclusion upon the public health and welfare, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, and United States consumers, it finds that such articles should not be excluded from entry. 19 U.S.C. 1337(d)(1). A similar provision applies to cease-and-desist orders. 19 U.S.C. 1337(f)(1).

The Commission is interested in further development of the record on the public interest in these investigations. Accordingly, members of the public are invited to file, pursuant to 19

CFR 210.50(a)(4), submissions of no more than five (5) pages, inclusive of attachments, concerning the public interest in light of the administrative law judge's recommended determination on remedy and bonding issued in this investigation on October 27, 2016. Comments should address whether issuance of the limited exclusion order ("the recommended remedial order") in this investigation would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

- (i) explain how the articles potentially subject to the recommended remedial order is used in the United States;
- (ii) identify any public health, safety, or welfare concerns in the United States relating to the recommended remedial order;
- (iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;
- (iv) indicate whether complainant, complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to the recommended remedial order within a commercially reasonable time; and
- (v) explain how the recommended remedial order would impact consumers in the United States.

Written submissions must be filed no later than by close of business on December 19, 2016.
